

Study tour Japan 2020 information

23-05-2019

This document is meant to be an abridged version of the information given at the info lunch 23/05/2019 12:45. If you have any further questions please contact the SRC directly via mail or one of its current members.

Study tour general info:

This iteration of the study tour is bound for Japan in October of 2020. The tour itself will be 3 weeks of activities (university visits, company visits and cultural activities). For the organisation of the study tour every participant is required to join one of four committees (Admin, Acquisition, Graphics or Travel). The funds required to make the tour possible will come from several sources, including payment from every participant and completing case studies for companies.

Timeline

- 13 June 2019 Application deadline
- 18, 19, 20 June 2019 Interviews
